Professional Experience:

Jillian Huber serves as the Grants Manager for the Northwest Indiana Regional Development Authority (RDA). Jillian has been with the organization since July, 2007. The Grants Manager is an integral part of the RDA's grants administration program which covers different and varying grants affiliated with the RDA.

Jillian's responsibilities include planning and implementing grant programs from its application to approval and utilization. Jillian has the ability to perform grant research, grant writing, grant program design and implementation, compliance, and grant reporting.

Jillian's position provides grant management monitoring and performs special assignments and duties related to the multi-faceted scope of the RDA including activities and interactions with various staff and consultants to the RDA. This position conducts all grant administration activities, information mining and communication activities to enhance the RDA's current grant system.

Jillian resides with her husband, John an employee of BP Refinery, with her three children Ben, Ellie, and Sophie, and their impulsive but lovable boxers Wrigley and Cooper in Schererville Indiana.
